الفقرة الإنشائية (البرجراف) : سؤال البرجراف من ٥ درجات و عدد كلمات الموضوع من ١١٠ كلمة (لموضوع واحد من موضوعات الكتاب) . لذلك سنحاول التحدث عن بعض المهارات التي ستساعدك على كتابة البرجراف بشكل صحيح.

أجزاء البرجراف Parts of the paragraph

- | | |
|-------------------------|-----------------|
| 1. Topic Sentence | جملة المقدمة |
| 2. Supporting Sentences | جمل دعم الموضوع |
| 3. Conclusion | الخاتمة |

كتابة الفقرة يجب أن نضع في الاعتبار بعض القواعد:

١- نكتب العنوان أولاً ، ثم جملة مقدمة عن الموضوع. وهذا مثال لمقدمة مفيدة لموضوعات عامة ...

We all know that **اسم الموضوع** is/ are very important and interesting, too.
It helps us a lot in our life.

كلنا يعلم أن (اسم الموضوع) مهم و شيق أيضًا. و هو يساعدنا كثيرا في حياتنا.

و هي تصلح للعديد من الموضوعات منها
Internet / Mobile phones / technology
Holidays / Hobbies / Voluntary work / School

ليس من الضروري استخدام هذه المقدمة في جميع الموضوعات. و يمكن استخدام أفكار أخرى.

٢- نترك مسافة قبل كتابة الجملة الأولى في السطر الأول فقط من الموضوع.

٣- نراعي علامات الترقيم ، نستخدم الحروف الكبيرة (Capital letters) في بداية كل جملة و في بداية أسماء الأشخاص و البلاد و اللغات و أيام الأسبوع ... و نضع (.) في نهاية كل جملة.

٤- نبدأ الجملة بالفاعل ثم الفعل. و نستخدم الزمن المناسب للموضوع (مضارع أو ماض).

٥- نستخدم جملا بسيطة، لا داعي للتعقيد. و نستخدم القواعد بشكل صحيح.

٦- نهتم بالتنظيم و حسن الخط و ترك مسافة بين الكلمة و الأخرى.

٧- يمكن استخدام بعض العبارات التي تساعدك على دعم و تنظيم وترتيب الموضوع ، مثل :

بعد ذلك ... / After that, ... ثم ... / Then, ... أولا ... / First, ... في رأيي ... / In my opinion,

بالإضافة إلى ذلك ... / In addition to that, ... في الحقيقة ... / In fact,

٨- الموضوع الجيد ينتهي بخاتمة معبرة عن مضمون الموضوع و يمكنك استخدام التالي:
To conclude, **اسم الموضوع** is very important for me and for many people.

تلخيصا لما سبق ، إن هذا الموضوع هامًا جدًا بالنسبة لي و للعديد من الناس ...

للنصيحة فعل مصدر ... is very useful. Really, we should + اسم الموضوع ... Finally,

٩- بعد الانتهاء من البرجراف نتأكد من أن عدد الكلمات مناسب للعدد المطلوب.

1. Your identity هويتك

“The role of values in our life” / “The values you stand for” دور القيم في حياتك
“Honesty and its effect on the society” الامانة وتأثيرها على المجتمع

My identity is made up of the things that make me who I am. It includes my name, my personality, my values, and my experiences. I am a curious person who enjoys learning new things and helping others. I value honesty, kindness, and respect, and I try to show these values in my actions every day. The values we stand for guide the way we think and act. My family, friends, and community have also shaped the way I think and behave. My interests, like reading and exploring, are also part of my identity. I believe that being true to myself and respecting others helps me grow and build strong, positive relationships in my society.

2. “How to be self-confident” كيف تكون واثق في نفسك

“Looking after Yourself” الاعتناء بنفسك

Being self-confident starts with believing in yourself. You should focus on your strengths and remind yourself of the things you can do well. Set small goals and try to achieve them one by one. Each success will make you feel stronger and more confident. It is also important to speak kindly to yourself and avoid negative thoughts. Spend time with people who support you and make you feel appreciated. Learn from your mistakes instead of feeling bad about them. Everyone makes mistakes, and they help you grow. When you understand your value and accept who you are, you will become a more confident and happier person.

3. “The Role of Parents in Life” دور الوالدين في الحياة

Parents play a very important role in our lives. They teach us right from wrong and help us grow into good people. From a young age, parents give us love, care, and support. They work hard to provide food, clothes, education, and a safe home. Parents also guide us when we face problems and encourage us to do our best. They listen to our feelings and give advice when we need it. Even when we make mistakes, they stay patient and help us learn. Parents are our first teachers and our strongest supporters. Their love and guidance help us build a bright and successful future.

4. Communication التواصل

Communication is very important in our daily lives. It helps people share ideas, feelings, and information. Good communication makes it easier to understand each other and build strong relationships. We can communicate in many ways, such as speaking, writing, or even using body language. In today’s fast world,

technology plays a big role. People use phones, text messages, and social media to stay connected with friends and family. However, face-to-face communication is still the best way to show care and respect. Active listening, kind words, and supportive messages help avoid misunderstandings. **To sum up**, communication is the key to trust, friendship, and success in life.

5. The Importance of Communication in Family Life أهمية التواصل في الحياة العائلية البقاء قريباً (من الآخرين) "Staying close"

Communication is one of the most important values in family life. When family members talk and listen to each other, they build trust and understanding. Without communication, there is often silence, stress, or even arguments. This can make people feel lonely or frustrated, just like Omar felt at dinner in the story. A few honest words or a meaningful gesture can break the silence and reconnect people again. Good communication helps families share ideas, solve problems, and enjoy their time together. It makes relationships stronger and turns the home into a place of love and happiness.

6. "A dinner you had been invited to" عشاء كنت مدعو له

Last week, I was invited to a special dinner at my friend's house. I felt excited because it had been a long time since we all met. When I arrived, the house was warm and beautifully decorated. My friend's family welcomed me kindly, and we all sat together at a large table. The food was delicious, especially the grilled chicken and fresh salad. We talked, laughed, and shared stories about school and daily life. After dinner, we enjoyed a tasty dessert and played a small game. The evening was full of joy and comfort. It was one of the nicest dinners I had ever been invited to.

7. "The pros and cons of modern technology" مزايا و عيوب التكنولوجيا

Modern technology has become an important part of our daily lives. It offers many benefits that make life easier. For example, smartphones help us communicate quickly, and computers allow us to learn and work from anywhere. Technology also helps doctors treat illnesses and improves transportation. However, there are some disadvantages too. Many people spend too much time on their phones, which can affect their health and relationships. Technology can also cause distractions and reduce face-to-face communication. In addition, some jobs are lost when machines do the work. Although modern technology is useful, we should use it wisely and in a balanced way.

8. "Social Media is a double edged weapon" مواقع التواصل سلاح ذو حدين

Social media is a double-edged weapon because it has both good and bad effects. On one hand, it helps people stay connected with family and friends, even if they live far away. It also allows us to learn new things, share ideas, and express ourselves. On the other hand, spending too much time on social media can cause

stress and distraction. Some people may compare themselves to others and feel unhappy. There is also the risk of false information and online bullying. Social media can be useful, but we should use it carefully and in a balanced way.

Unit 3

9. Artificial Intelligence (AI) الذكاء الاصطناعي

AI benefits اختراعات حديثة / فوائد الذكاء الاصطناعي “Modern Inventions”

Inventions help us a lot in our life. Artificial Intelligence (AI) is one of the most important inventions in our modern world. AI means making machines and computers think and learn like humans. It is used in many fields such as medicine, education, business, and transportation. For example, AI helps doctors diagnose diseases, supports teachers in classrooms, and makes driverless cars possible. It can also translate languages, answer questions, and even compose music or create pictures. AI saves time and reduces human errors, but it also has limits. Machines cannot feel emotions or replace human creativity. We must use AI wisely to improve our lives and build a better future.

10. “The importance of the mobile/ smartphone” أهمية الهاتف المحمول

“The uses of technology in our life” استخدامات التكنولوجيا في حياتنا

We all agree that modern technology is very important for all of us. We use it every day. We use computers, smartphones, laptops ... etc. everywhere. They help us at homes, at schools and in our daily work. They make work easy. The Smartphone is very useful. It is also important these days. We use it to make calls. We use it to send messages, too. It helps us to surf the internet. We can watch videos on YouTube. We can download programs or play games online. We can take pictures with it. Really, it is a great invention.

Unit 4

11. “Screen Time Habits” عادات وقت استخدام الشاشة

“Improve your screen time habits” تحسين عادات وقت استخدام الشاشة الخاص بك

Improving your screen time habits is important for your health and well-being. Start by setting a daily limit for using your phone, computer, or tablet. Try to take short breaks every hour to rest your eyes and move your body. You can also turn off notifications to avoid constant distractions. Make a plan to spend more time reading, exercising, or talking with your family instead of always being online. Avoid using screens before bedtime so you can sleep better. When you use technology wisely and in moderation, you feel more focused, active, and relaxed in your daily life.

12. “New projects in Egypt” مشروعات جديدة في مصر

Egypt is moving forward with amazing projects—like the New Administrative Capital, the Monorail, and the Green River. These are built with cutting-edge

technology and big ideas. But big projects need smart citizens – people who are focused, healthy, and use technology wisely. If we spend too much time scrolling or gaming, we lose energy and focus. That’s why managing screen time is so important. Young people like us are the future engineers, designers, and leaders of Egypt. By building strong habits now – like turning off distractions and using technology for learning – we get ready to build a better country.

13. “How do you spend your time every day?” كيف تقضي وقتك يوميا
“Using the Internet” استخدام الانترنت

Every day, I try to spend my time in a balanced and useful way. In the morning, I get ready for school and check the internet for the weather or any important news. After school, I finish my homework, and I sometimes use the internet to search for information or watch educational videos. Later, I relax by playing a short online game or chatting with my friends. In the evening, I try to limit my screen time and spend some moments with my family. Using the internet is helpful, but I make sure it does not take all my time.

Unit 5

14. “Using the design thinking process to solve a problem”
“استخدام عملية التفكير التصميمي لحل المشكلة”

Design thinking is very important. Design thinking is a simple and creative way to solve problems. It helps us find good ideas and helps us in many ways. It has five simple steps. First, we understand the people and know what they need. Second, we find the problem we want to solve. Third, we think of many different ways. Fourth, we make a model of the best idea to see how it works. Finally, we test the model and try to make it better. Using design thinking makes us more creative, helps us work with others, and can make life easier and more enjoyable for everyone.

15. A Project I Dream to Do مشروع تحلم به

One project I dream to do is creating a small community library in my neighborhood. I want to collect books for children and adults so everyone can read and learn for free. My dream is to make reading enjoyable and easy for everyone, especially for children who do not have enough books at home. I would organize reading sessions, storytelling activities, and small competitions to encourage learning. This project would help people discover new ideas, improve their knowledge, and enjoy reading. I am motivated to plan it carefully, ask for help, and make it happen one day. I hope my project inspires others to share knowledge too.

16. "A nice story you have read recently" قصة جميلة قرأتها مؤخرا

Recently, I read a nice story about a school garden. The story was about a group of students who worked together to plant flowers, vegetables, and trees in their school garden. They learned how to take care of the plants and enjoyed watching them grow. The story taught me the importance of teamwork, patience, and caring for nature. I enjoyed reading it because the students were creative and worked hard to make their school beautiful. It also inspired me to help in my own community and try new projects. Reading this story made me feel happy and motivated to do something useful.

Extra Important Paragraphs

Hi Nabil,

How are you and how is your family? I want to tell you about a place you dream to visit. My dream holiday is to travel to a peaceful beach with clear blue water and soft sand like the beaches in *Sharm El-Sheikh* or *Hurghada*. I would like to stay in a small hotel near the sea, where I can hear the waves every morning. I want to spend my days swimming, taking photos, and relaxing under the sun. In the evenings, I would enjoy delicious food and watch the sunset with my family. This holiday would help me rest, have fun, and make wonderful memories. It is the perfect holiday I always dream about. I wish to make it soon.

Yours, Mohamed
